News In Brief

Term 4 Wrap Up

What a hectic way to finish the term and year. The last 2 weeks have seen plenty of school functions, sports, awards and more facility upgrades.

Last Monday 28th and Tuesday 29th of November our school celebrated the academic excellence and endeavor of our students at River Gum Performing Arts Centre. It was terrific to see so many students awarded certificates for their hard work and dedication that they have shown throughout the year in various subjects.

On the 1st of December the Year 6 Graduation was also held at River Gum Performing Arts Centre. The Year 6’s celebrated their success and the coming to an end of their primary years. Certificates were handed out, excellence and endeavor was celebrated and they all finished the night off with some singing and dancing.

On Friday the 2nd of December the Primary School Captains were announced by Mrs Krvstevski. Congratulations to Alicia Mun, Firoze Haidari, Sheza Malik and JJ Noronha.

On Tuesday the 6th of December the Primary School held its Christmas Concert on the basketball courts. Families brought their picnics, chairs and rugs as the students from each year level sang Christmas carols. There was even a special guest dressed in red. It was a great night and it was fantastic to see so many people attend.

Last week our local member of parliament Judith Graley MP paid a special visit to one of our Grade 4 students. Charli Bamford was presented with the Community Leadership Award for 2016. Well done Charli, you a worthy recipient of this wonderful award.

We as a school community welcomed 240 Year 7 students in 2017 as part of the Year 7 State Orientation Day on 6th of December. There were a lot of nervous new students and even some parents however thanks to our admin staff, teachers and Year 8 peer support students the day was enjoyed by all.

So that’s a wrap. We hope you have a wonderful Christmas and safe holidays. We look forward to seeing everyone back safe and sound in 2017.

Luke Abdallah
School Council

As School Council President, I would like to take this opportunity to thank the College Community for making the 2016 school year a success on behalf of the School Council Team. As a community we have achieved many goals to improve student outcomes and engagement with the College:

- Significant grounds improvements
- Wellbeing centre
- Year 7 learning space re-vamp
- Improved sporting facilities
- Improved networking infrastructure

There are many in our community whom help to improve the college which has a positive impact on our wider community, in finishing I would like to thank some of our supporters, our crossing guards, Primary helpers, parents of our students, School Council members and our P12 staff. These are by no means the only people or groups whom help and it takes all of us to continue to work in harmony and towards the education of our students as our students are why we all work so hard. I trust each and everyone one to have a safe and wonderful Christmas and summer holiday.

Greg Bailey School Council President
